

AKHIL G KRISHNAN

FULL STACK DEVELOPER

Alappuzha | akhilgkrishnan102@gmail.com | +91 77366 68179 | www.linkedin.com/in/akhilgk-/

SUMMARY

Motivated BSc Computer Science graduate with hands-on experience in building responsive web applications using Python, HTML, CSS, JavaScript, React, Django, PHP, and MySQL. Skilled in debugging, performance optimization, Git, and basic SEO, with a strong focus on developing user-friendly and scalable web solutions.

WORK EXPERIENCE

Software Developer

Mar 2025 - Mar 2026

Hostlane Technolab, Alappuzha

- Deployed and optimized applications for performance and reliability
- Developed responsive websites using HTML, CSS, JavaScript, Django, and React
- Worked with clients to gather requirements and deliver customized solutions
- Managed deployment, hosting, and performance optimization of web applications

Python Django-React Full Stack Developer Intern

Jun 2024 - Jan 2025

Luminar Technolab, Ernakulam

- Developed and maintained full-stack web applications using Python, Django and HTML, CSS &JS
- Built responsive and user-friendly interfaces using HTML, CSS, JavaScript, and Bootstrap
- Designed and integrated RESTful APIs for seamless frontend-backend communication
- Implemented CRUD operations and managed data using MySQL/SQLite databases

Python Intern

Dec 2023 - Mar 2024

LCC Computer Education , Ernakulam

- Gained hands-on experience in Python programming and core software development concepts
- Practiced writing clean, efficient, and reusable code
- Debugged and tested programs to ensure accuracy and performance
- Used Git for version control and participated in collaborative development workflows

EDUCATION

Bachelor of Science in Computer Science

Oct 2021 - May 2024

Kerala University

- GPA: 6.5 ,BSc Computer Science graduate from the University of Kerala with a strong foundation in programming, problem-solving, and technology applications.

SKILLS

Front-end	HTML5, CSS, JavaScript, Bootstrap &Tailwind
Frameworks	Django
Databases	MySQL, SQLite & ORM (Django ORM)
Backend	Python, PHP
Tools	AWS S3, Digital Ocean , Git & GitHub, Docker

CERTIFICATES

Python101 for Data Science by IBM

Feb 2024

- Completed "Python101 for Data Science" by IBM, gaining foundational skills in Python programming and its applications in data analysis and visualization

CERTIFICATES

Python Certification by HackerRank

May 2024

- Earned Python Certification from HackerRank, demonstrating proficiency in Python programming and problem-solving skills

Problem Solving (Basic) By HackerRank

Aug 2024

- Completed "Problem Solving (Basic)" certification by HackerRank, enhancing skills in algorithmic problem solving and coding efficiency.

Python - Web Development Expert

Jan 2025

- National Council for Technology and Training

PROJECTS

50+ Client Projects – Hostlane Technolab

Mar 2025 - Mar 2026

Hostlane Technolab, Alappuzha

- Developed and deployed multiple responsive business websites for clients
- Customized UI/UX designs based on client requirements
- Managed hosting, domain setup, and deployment
- Optimized websites for performance and basic SEO
- Collaborated with team members to deliver scalable web solutions

CYBER SPY

Jan 2025

Secure File Transferring Website

The CYBERSPY is a comprehensive web application designed to facilitate secure file transfer between users. The system offers functionalities such as file sharing, attack detection, and graphical reporting of attacks.

E-Commerce Web Application

Jan 2025

Online Shopping Platform

- Developed a full-stack e-commerce application with product listing, cart, and secure checkout
- Implemented user authentication, order management, and payment integration
- Built using Django, React, and MySQL with responsive UI
- Optimized performance and ensured smooth user experience

CRM Software

Jan 2025

Customer Relationship Management System

- Developed a CRM system to manage customers, leads, and sales activities
- Implemented authentication, lead tracking, and task management features
- Built using Python, Django, and MySQL with responsive UI
- Designed dashboard for analytics and performance monitoring
